

Ticketless Parking

For an easier shopping experience.

Lutwyche City is introducing Ticketless Parking from Monday 16 September 2019. Ticketless Parking will provide quicker and easier access in and out of the car park without the need for a paper ticket.

Licence plate recognition technology will capture a picture of your licence plate when you enter and exit the car park, allowing for a seamless journey and less queuing.

2 HOURS FREE PARKING

If you have been parked for less than 2 hours, the boom gate will open automatically when you exit. If you park for longer than 2 hours, you will be required to pay at a pay station or by credit card at the exit.

Pay stations are located in the travelator lobbies on Level 2 and in the Cafe Court on Level 3.

PARKING RATES

0.0 - 2.0	hrs	FREE
2.0 - 2.5	hrs	\$3
2.5 - 3.0	hrs	\$6
3.0 - 3.5	hrs	\$9

5.5 - 6.0	hrs	\$30
6.0 - 6.5	hrs	\$35
6.5 +	hrs	\$40

REMEMBER YOUR LICENCE PLATE NUMBER

Your licence plate number is your ticket, so please remember it. This will help you to check your entry time at any point while shopping and will allow you to pay any outstanding fees.

CHECK HOW LONG YOU'VE BEEN PARKED

You can check by typing your licence plate number into any of the pay stations.

SAME DAY RE-ENTRY

Customers are entitled to 2 hours free parking on first entry. If you plan to return to the centre in the same day, there must be 30 minutes between your exit and re-entry to receive another 2 hours free parking.

DISABILITY PERMIT

Customers with an authorised Disability Parking Permit can register to receive free parking at Lutwyche City. Please take your permit to Centre Management for verification - the office is located in the car park, near the Level 1 lift lobby.

MOTORCYCLE PARKING

Motorcyclists can park for free in designated bays only, which are located near the ALDI travelator lobby. If you ride a motorcycle, we encourage you to pre-register on 1300 551 131 or at marketcentral@pointparking.com.au.
